

Our Mission

Soumis par FDC

04-01-2007

Dernière mise à jour : 10-12-2007

The programs of FDC are: to guarantee basic human rights, to protect social justice, to development pluralistic economy, to abolish one-party dictatorship and establish a democratic China. The working principles are peace, rationality and non-violence. FDC advocates pluralistic politics and insists on democracy, transparency and openness.

Federation for a Democratic China is a non-profit organisation registered in Paris, France. The Head Quarters is where the president resides. FDC is a political organisation dedicated to the promotion of democracy in China.
